GREETINGS

ごあいさつ

思いもつかない時代が来る、企業は改革し続けなければ現状すら維持できない。 改革を断行する強い意志で社員とともに、短期的な業績の悪化も恐れず 大きな決断を行い、過去にとらわれず、走りながら考え、次々と生まれる課題を、 迅速、的確に取り組んでいきます。

会社をどうしたいのか、そのために何をすべきで何を切り落とすのかルールを つくり、本当に必要とあればそのルールも自ら破る勇気で取組みます。 創業者をしのぐほどの"爆発力"と"変革力"でおもしろおかしく挑戦し、我々が 好きで得意なことをトコトンやる。イヤだと思うことはやめる。そして1人でも 多くの人を幸せにしていきます。

An unimaginable age is coming. Companies need constant reformation, if not we can't keep going. We are going to address the day-to-day challenges quickly and accurately. We must make a big decision with our workers even when we may have a temporary decline of business performance. We keep going fearlessly without being stuck in the past.

We will make certain rules for making our company what we want it to be and we will decide what to do to make it happen. But if it's necessary we must have courage and be determined to break the rules ourselves.

We will challenge to do what we like to do and what we are good at with more explosive power and more transforming power than our founder. Also we will

enjoy doing what we do and keep doing it till we are satisfied. We will stop doing what we don't like. We try to make as many people as possible happy.
